

Missouri Tenant Help

Many persons served by legal aid programs in Missouri may be facing eviction and are unable to get an attorney. Sadly, we do not have the resources to serve all those who seek our help.

We are providing a link to the <https://motenanthelp.org> that can help self-represented persons defend themselves. The website can produce a document which a tenant can file with the court where their eviction is pending. Additionally, the website has tons of helpful information about evictions.
