

# SMBA - Clean Slate "Expungement" Clinic

## Event Details

Thursday, January 11, 2024 | 6pm-7:30pm CST  
Springfield, Missouri

A new Missouri law will make it easier for some people to get their criminal records cleared. The new law went into effect August 27, 2021, greatly expanding expungement eligibility in Missouri. Expungement is the legal procedure for people previously convicted of nonviolent, low-level offenses to seal the public record and get a fresh start. The new law reduces the waiting period which opens eligibility to thousands of people.

The clinic will be held from 6:00pm to 7:30pm, January 11, 2024, at National Avenue Christian Church, 1515 S. National Avenue, Springfield, Missouri.

There will be a presentation concerning the new law followed by a Q and A.
