

ABA YLD Disaster Legal Services Manual for The Missouri Bar

This manual was prepared to better orient volunteer lawyers with the pro bono Disaster Legal Service (DLS) program for victims of natural disasters occurring in the state of Missouri. Through this program, volunteer attorneys provide legal services to eligible individuals following a major disaster declaration. The text of this manual can be read relatively quickly. We encourage you to read the entire manual and to introduce your colleagues so that they will become familiar with the program and volunteer to help.
