Heartland Flood Help

Heartland **FLOOD HELP**

Heartland Flood Help is a project of the Legal Services Corporation (LSC) – the single largest funder of civil legal aid for low-income Americans in the nation. LSC operates as an independent 501(c)(3) nonprofit corporation that promotes equal access to justice and provides grants for high-quality civil legal assistance to low-income Americans.

LSC’s grantees help low-income disaster survivors with issues such as insurance claims, federal disaster assistance, housing arrangements, and rent-gouging and evictions. LSC created a website, www.heartlandfloodhelp.org to encourage residents of Arkansas, Iowa, Missouri, Nebraska, and Oklahoma to take steps — before flooding occurs — to lessen or prevent flood damage and better prepare themselves for recovery.
