## Event Details

Wednesday, October 20, 2021 | 6pm-6pm CDT  
Springfield, Missouri - Webinar

A new Missouri law will make it easier for some people to get their criminal records cleared. The new law goes into effect August 27, 2021, greatly expanding expungement eligibility in Missouri. Expungement Is the legal procedure for people previously convicted of nonviolent, low-level offenses to seal the public record and get a fresh start. The new law reduces the waiting period which opens eligibility to thousands of people.

This one-hour webinar, October 20, 2021, 6:00 - 7:00 pm, is hosted by the Springfield Metropolitan Bar and presented by Scott Pierson. Pierson, one of the most experienced expungement attorneys in the state, will give a brief presentation then answer questions. We will also provide information on free legal assistance for low-income applicants.
