## Limited Scope Representation

It always is best to be informed about your legal rights. Missouri lawyers are allowed to assist people with some of the legal work in their cases. The client remains responsible for tasks not handled by the lawyer. Examples of work the lawyer may perform include the following: consulting about legal rights and strategies, preparation of court documents, and appearing in court with the client to prove up an uncontested case. Lawyers may charge by the task or by the hour. The fee generally is based on the amount of work performed by the lawyer.
