Legal aid programs providing free legal help to the low-income and disadvantaged in Missouri

d with a \$5

donation because Sam felt everyone could "use a little something extra for the holidays." Imagine that--a \$5 donation from a 75-year-old client living month-to-month on nothing but a small, limited income!

Every now and then we receive a donation from a client. This isn't easy for them--our clients struggle to make ends meet. When one takes the time and makes such a sacrifice for our efforts, we can't help but feel extra grateful. Of course, the combination of Sam's handmade card and the \$5 gift was especially moving to us.

Please consider making donation to a legal aid program in Missouri, so we can be more effective

at helping people in need--people like Sam. See the "Donate Today!" article on the "Home" page to learn how you can donate to your local legal aid program.

Your support really does make a difference!
